Dear Sir or Madam:

Freedom of Information Request

Please send to FIPA the following records relating to the potential effects of the Trans-Pacific Partnership Agreement (TPP or TPPA) on BC's *Freedom of Information and Privacy Protection Act (FIPPA)* – All communications including e mails (public and private systems) phone messages, BBMs, letters etc., all briefing notes and memoranda, as well as any meeting agendas, minutes, and related materials.

We request that you divide this request into two parts, (1) a part that can be released with no third party consultations required (and/or can be easily located or require no severing), and so can be sent to us ASAP, and (2) any part that requires third party consultations or extensive severing.

Please do not send news media clippings or press releases.

If any of these records are in readable electronic format, please send them by CD or email attachment rather than on paper.

Request for fee waiver

Because these records relate to a matter of current public interest and are vital to increasing public knowledge and debate over a major policy direction of the federal and provincial governments, we request that fees be waived for this request.

Yours sincerely,

Vincent Gogolek
Executive Director
